Memo re EPA's April 3 2025 Letter, 1.pdf; Memo re Super Leach Reprocessing Option, 1.pdf;

CONFIDENTIAL & PRIVILEGED ATTORNEY-CLIENT COMMUNICATION

Dear Mayor, Vice Mayor, and Council Members:

Attached are two memoranda requested of me relating to Superfund issues.

The first responds to Mr. Donavan's request made in the April 18 meeting of the Town Council and consented to by the entire Council for identification and analysis of any inconsistencies between EPA's April 3, 2025 letter to the Mayor and EPA's prior communications to the Town and/or EPA policy and practice.

The second responds to the request of Mayor Fenn and Mr. Barron for a report to the Council on the Super Leach reprocessing option following their recent meeting, accompanied by Brian Beck and me, with Super Leach's principals at their facility in Stanton, Arizona.

With delivery of these memoranda to you, I have completed all tasks given to me by the Town, other than continuing attendance at EPA's virtual monthly status meetings. Should the Council desire me to undertake other Superfund-related tasks (including discussion of the attached materials), I would be happy to oblige upon Council direction to do so.

Respectfully,

Jim
